---

## EDUCATION

**Wesleyan University**, Middletown, CT

Sept. 2021 - May 2025

*Bachelor of Arts*, Overall GPA: 3.77 / 4.00

**Major:** Computer Science **Minor:** Economics

**Kenner Discovery Health Sciences Academy**, Kenner, LA

August 2017 – May 2021

*High School Diploma*, Overall GPA: 4.405 / 4.000

## EXPERIENCE

*Tech Fellow*, **GDS Tech Fellowship**, Remote

June 2021 – August 2021

- Participated in an 8-week professional development, project-based learning program dedicated to teaching coding skills & building professionalism
- Learned HTML and CSS while collaborating on a team of 4 people to build a travel agency website
- Developed an APG game using Python, working with a team of 5, culminating in a class-wide presentation
- Pitched the concept of a Braille keyboard to 5 fictional investors, closing a deal that was within asking
- Created a digital portfolio that demonstrated the skills obtained through the course, presented to faculty, receiving a score of 100/100

*Cabinet Assembler*, **Rodriguez Multiservice LLC**

June 2018 – May 2021

- Used various types of stationary and hand-held power tools to fabricate or disassemble cabinets
- Perform general maintenance
- Reinforced Worker to Client Communication skills
- Hang doors and drawers for final assembly for cabinets

## LEADERSHIP ACTIVITIES

*Student Mentor*, **Chick-Fil-A Leadership Academy**

Aug. 2019 – May 2021

- Instituting and bringing about the creation of outstanding leaders within our school has been the main goal since day one. I've participated in activities for the wellness of our community and teach other students how to be truly honest and trustworthy leaders.

*Class Representative of 2025*, **QuestBridge Board Committee**

Sept. 2021 – Current

- Develop strategies to better integrate QuestBridge Scholars from their class into chapter programming and events.
- Voice the wants, needs, opinions, and concerns of QuestBridge Scholars of their class during EBoard meetings to ensure diverse perspectives are being included in decision making.

*President*, **Mu Alpha Theta**

Aug. 2019 – May 2021

- Focusing on students that find themselves in a situation of confusion in math topics, this goal is accomplished by our members as we volunteer to sit with them and teach them the math step by step. As President, ensuring the completion and good standing of every member is my set goal, as well as recruiting others that are interested in volunteering to help.

## SKILLS

**Coding:** HTML (Advanced), CSS (Intermediate), Python (Intermediate)

**Language:** Spanish (Native), French (Elementary)
